Fog (2016)

for unaccompanied chorus SSAA

Text: Carl Sandburg (1878-1967)

Music: Inna G. Onofrei

Duration: 2 minutes

The fog comes
on little cat feet.

It sits looking
over harbor and city
on silent haunches
and then moves on.

Program Note

Fog (2016) is a song scored for SSAA choir, set to a poem "Fog" by Carl Sandburg, published in 1916. Sandburg was inspired to write it one day out walking near Chicago's Grand Park. This sweet and short poem demonstrates the author's appreciation for nature.
